

To the Members of M/s Plaza Cables Electric Private Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Plaza Cables Electric Private Limited** which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Responsibility of Management's for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure I", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE –II” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENT OF
PLAZA CABLES ELECTRIC PRIVATE LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Plaza cable electric Private Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

AOP & ASSOCIATES

Chartered Accountants

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

PLAZA CABLES ELECTRIC PRIVATE LIMITED
Notes forming part of the financial statements

Note	Particulars
1	<p>Corporate information</p>
	<p>Plaza Cables Electric Private Limited was incorporated on 10 April, 1989 under the Companies Act, 1956 and having its registered office at K-444 Part-1 Village -Burari Delhi-110084. The Company is engaged in manufacturing and trading of electrical wire and allied products</p>
2	<p>Significant accounting policies</p>
2.1	<p>Basis of accounting and preparation of financial statements</p>
	<p>The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p>
2.2	<p>Use of estimates</p>
	<p>The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.</p>
2.3	<p>Inventories</p>
	<p>Inventories are valued at the lower of cost on FIFO basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges, if these cost increases value of inventories.</p>
2.4	<p>Cash and cash equivalents</p>
	<p>Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.</p>
2.5	<p>Revenue recognition</p>
	<p><u>Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.</p>
2.6	<p>Other income</p>
	<p>Interest, Rental and other Miscellaneous income is accounted on accrual basis.</p>

Note	Particulars												
2.7	<p>Property Plant & Equipment</p> <p>Property Plant & Equipment are stated at cost, net of accumulated depreciation/ amortization and impairment losses, if any. The cost comprises the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working conditions for the intended use. Each part of an item of property plant & equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. Any trade discounts and rebates are deducted in arriving at the purchase price.</p> <p>Subsequent expenditure related to an item of property plant & equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property plant & equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.</p> <p>Gains or losses arising from de-recognition of property plant & equipment are measured as the difference between the net disposal proceeds and the carrying amount of asset and are recognized in the statement of profit and loss when the asset is derecognized.</p>												
2.8	<p>Depreciation and amortisation</p> <p>The company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life. Depreciation on property plant & equipment is calculated on a straight-line basis using the rates arrived at based on useful lives of the assets considering the guidelines of Part C of Schedule II to the Companies Act, 2013.</p> <p>Following are useful lives for each asset category:</p> <table data-bbox="306 1168 973 1372"> <thead> <tr> <th>Asset Category</th> <th>Useful Life (in years)</th> </tr> </thead> <tbody> <tr> <td>Furniture & Fitting</td> <td>10 Years</td> </tr> <tr> <td>Vehicles</td> <td>8 Years</td> </tr> <tr> <td>Office Equipments</td> <td>5 Years</td> </tr> <tr> <td>Computers</td> <td>3 Years</td> </tr> <tr> <td>Building</td> <td>60 Years</td> </tr> </tbody> </table>	Asset Category	Useful Life (in years)	Furniture & Fitting	10 Years	Vehicles	8 Years	Office Equipments	5 Years	Computers	3 Years	Building	60 Years

2.9	<p>Investments</p> <p>Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.</p>												

PLAZA CABLES ELECTRIC PRIVATE LIMITED
Notes forming part of the financial statements

Note	Particulars
2.10	<p>Employee benefits</p> <p><u>Defined contribution plans</u> The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.</p> <p><u>Retirement Benefit Plan</u> The company operates a defined benefit plan for its employees, viz., gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method. Actuarial gains and losses for the said defined benefit plan are recognized in full in the period in which they occur in the statement of profit and loss.</p>
2.11	<p>Borrowing Cost Borrowing cost that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as a part of the cost of that asset subject to the provisions of impairment of the assets and other borrowing cost are recognized as an expenses in the period in which they are incurred.</p>
2.12	<p>Segment Reporting The Company has identified Manufacturing of Electrical Wires and allied Items as its primary segment. As the Company's business activity falls primarily within a single primary business segment and a single geographical segment (within India), the disclosure requirements of Accounting Standard 17 - 'Segment Reporting' in this regard are not applicable.</p>
2.13	<p>Leases</p> <p><u>Where the company is lessee</u> Finance leases, which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property or present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance cost in the statement of profit and loss. Lease management fees, legal charges and other initial direct cost of lease are capitalized.</p> <p>A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.</p> <p>Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.</p>

PLAZA CABLES ELECTRIC PRIVATE LIMITED
Notes forming part of the financial statements

Note	Particulars
	<p><u>Where the company is the lessor</u></p> <p>Leases in which the company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.</p> <p>Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income on an operating lease is recognized in the statement of profit and loss on a straight line basis over the lease term. Initial direct costs such as lease costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.</p>
2.14	<p>Earning per share</p> <p>The basic earning per equity share is computed by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding at the end of the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, that have changed the number of equity shares outstanding, without a corresponding change in resources.</p> <p>For the purpose of calculating diluted earning per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.</p>
2.15	<p>Taxes on income</p> <p>Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.</p> <p>Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.</p> <p>Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.</p> <p>Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.</p>

Note	Particulars
2.16	<p>Impairment of assets</p> <p>In accordance with Accounting Standard 28 on 'Impairment of assets', the carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated at the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of the asset or cash-generating unit exceeds its recoverable amount.</p> <p>Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss.</p> <p>After Impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.</p>
2.17	<p>Provisions and contingencies</p> <p>A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.</p>
2.18	<p>Operating Cycle</p> <p>Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.</p>
